CORRECTIONS DIVISION
POLICY AND PROCEDURE MANUAL

FOREWORD

The official manual of the Corrections Division of the Mendocino County Sheriff's Office is hereby established and is entitled, "Corrections Division - Policy and Procedure Manual."

The Corrections Division Policy and Procedure Manual shall be prepared and distributed by Staff Services.

The existence of the Corrections Division Policy and Procedure Manual does not restrict or affect individual unit manuals, with the exception that unit manuals shall not be in conflict with the Corrections Division or Sheriff's Office manuals.

For consistency in Correction Division publications, if there is any question as to conflict with existing divisional or the Sheriff's Office General Orders Manual the originator of any document or publication shall route the material through the Corrections Division Commander for review prior to publication.
